

Wild Sage Casitas

The Wild Sage Vacation Rentals are located on the Aldea Plaza, alley side level, with west sunset views and is adjacent to a terraced garden.

Vacation Rental Santa Fe

Located in the heart of the Aldea de Santa Fe Village, the Plaza location is designed to provide retail services that are within walking distance of all homes in the Village.

Casita #21

Off the Plaza, On the Alley

Aldea Plaza will likely become a popular west side destination of unique specialty shops, inviting cafés, intimate galleries, Live/Work Lofts, restaurants, grocery market, art studios and commercial offices.

Dianne McKenzie & John Halley, Owners

Wild Sage Casitas

Aldea de Santa Fe consists of 345 acres superbly located in the high-value northwest corridor of Santa Fe County, bounded on the south by the six-lane Bypass (Highway 599), and on the north, by the highly successful, 4,700 acre golf-course development of Las Campanas. Built on a series of dramatic ridges, the Village has terrific views of the surrounding mountains. The properties rugged landscape with miles of trails and scale of distances create a sense of privacy and a sense of spaciousness.
